

15th Anniversary

# PBMI Drug Benefit Conference Sponsorship Opportunities

February 17 – 19, 2010 • Pointe Hilton Tapatio Cliffs Resort • Phoenix

2010 is the 15th year that drug benefit decision makers from across the nation will gather at the Pharmacy Benefit Management Institute (PBMI) conference to seek and share solutions to drug benefit challenges. We hope you will be there as a sponsor to showcase your organization's winning solutions.

PBMI's annual conference draws hundreds of attendees, including human resource managers, risk managers, employee benefits managers, pharmacy directors, managed care organization executives – all of the people who are making decisions about drug benefits and drug benefit management services for their organizations.

Sponsorship of PBMI's Drug Benefit Conference provides outstanding opportunities to:

- Build relationships with drug benefit decision-makers and the consultants who influence their decisions.
- Communicate the ways your organization helps improve drug benefit delivery.
- Support continuing education for benefits professionals and clinicians.
- Participate in the industry's leading dialog about creative strategies for managing utilization and controlling costs.

**NEW!**  
**Increase Traffic to Your Exhibit**

PBMI sponsors and exhibitors offer a wealth of drug benefit information in the Educational Forum Café. To promote exhibit traffic, the 2010 conference will feature a Forum Café Treasure Hunt. At registration, attendees will receive a treasure map showing the location of exhibitors participating in the Treasure Hunt. Attendees who have their maps stamped by all participating exhibitors will be eligible to win a grand prize or one of two \$100 cash prizes.

Exhibitors who are PBM and Industry Partner members of PBMI are automatically enrolled for free in the Forum Café Treasure Hunt. Other exhibitors may enroll by checking the appropriate box on the sponsorship form. The nonmember cost to participate is \$500.
